

# PICK UP A BOOK & EXPLORE THE AMAZON WITH MARC VAN ROOSMALEN

*An amazing collection of books by Marc van Roosmalen, one of the great explorers and naturalists of the modern age. From the rain forests of Suriname to the heart of Brazil, these books cover incredible ground and offer amazing insight into the human and natural history of the Amazon. Marc's exploits are epic, from searching for unknown species in remote jungles to fighting for his freedom in the courts of Brazil. These books take you along for the ride, and makes a strong case for conserving one of the greatest tropical rain forests on Earth.*
